

***Only one child can be listed on each report.**

**** Reports must be very detailed and should be at least 4 pages long, not including the cover page and no larger than font of 12.**

***** There should not be any copying and pasting from report to report in a sibling group. Reports need to be individualized for each child.**

Post Adoption Report writers please keep in mind that in Colombia we are not allowed to use the word 'placement' within the report. The word 'placement' translates into an illegal action and can be misleading. Please use the word 'adoption' instead of 'placement'.
